

**How We Got the Bible
God Spoke
2 Timothy 3:16-17
2 of 10**

As God used person after person to receive, record, and translate His Word to the page, it is amazing that He used so many diverse people who desired to serve Him and further His kingdom. What is even more amazing is that God used people who stood directly against Him and the truth that He desired to reveal. It's true! He used people who opposed Him.

Heretics often provided a great service to the church. For example, Marcion rejected the Old Testament and the Gospels of Matthew, Mark, and John, thus forcing the church to define the New Testament canon. Arius, in denying the deity of Christ, made the church articulate the doctrine that became the most crucial to Christianity.

Even when people attempt to undermine the holy scripture of God, the only effect they have ultimately, is to further the cause of Christ. The Word of our God stands forever.
