

**How We Know the Bible is from God
The Bible and Science**

Psalm 19

5 of 10

Since we believe that the Bible is God's Word and should be our guide for truth and obedience, over the next several weeks the Life Groups will be discussing different topics that do not stem directly from the Sunday sermon. This week's topic is "marriage".

1. With their permission, share a funny story about your spouse or your parent's marriage.
2. What are the attributes of a good marriage?
3. What does the Bible say about marriage?
4. Why is the rate of divorce among Christians virtually the same as the rate of divorce among non-Christians? What does that reveal about our attitude toward scripture?
5. Practically speaking, how can Christ be at the center of a marriage?
