

And God said...

Genesis 1

Week 1 of 8

Patrick O'Boyle recalls the late-1940s Hyde Park "Speakers' Corner" appearances of Frank Sheed, the Catholic author and publisher:

Sheed could be devastating with hecklers. Once, after Sheed had described the extraordinary order and design to be seen in the universe, a persistent challenger retorted by pointing to all the world's ills, and ended shouting, "I could make a better universe than your God!"

"I won't ask you to make a universe," Sheed replied. "But would you make a rabbit—just to establish confidence?"
(*Christianity Today* (4-23-99), p. 69)

This week's Daily Bible Reading will be the creation account of Genesis chapter one.
