

**The Prayer of Jesus: Unity**  
**John 17:20-23**  
**12 of 14**

- Self-righteous service comes through human effort. True service comes from a relationship with God deep inside.
- Self-righteous service is impressed with the "big deal." True service finds it almost impossible to distinguish the small from the large service.
- Self-righteous service requires external rewards. True service rests contented in hiddenness.
- Self-righteous service is highly concerned about results. True service is free of the need to calculate results.
- Self-righteous service picks and chooses whom to serve. True service is indiscriminate in its ministry.
- Self-righteous service is affected by moods and whims. True service ministers simply and faithfully because there is a need.
- Self-righteous service is temporary. True service is a lifestyle.
- Self-righteous service is without sensitivity. It insists on meeting the need even when to do so would be destructive. True service can withhold the service as freely as perform it.
- Self-righteous service fractures community. True service, on the other hand, builds community.
